

### School Readiness Program – Let's Get Learning

Karratha Family Centre - School Readiness Program is a fun, engaging, play-based learning program to support 3 to 4 year olds with their transition to school.

Our School Readiness Program aims to prepare the children for a structured school setting (Kindergarten and beyond) and focuses on developing children's physical, cognitive, emotional and social skills, in line with the Early Years Framework. All days of the program have varying activities to support the children in developing their sense of independence, sense of creativity and wonder, and a sense of belonging.

Each day, Tuesday, Wednesday and Thursday, the program will follow a routine, which includes both indoor and outdoor play-based learning experiences, sensory play, exploratory free play activities, teacher guided activities, as well mat/group sessions which include songs, movement and stories and morning tea and lunchtime routines.

All children must be 3 to 4 years old and toilet-trained to attend our school readiness program. (We understand children have toileting accidents, but we do not have the capabilities to be regularly changing children. Multiple toileting accidents, will require the child to be withdrawn from our program, until they are toilet-trained.)

#### **Children need to bring the following each day:**

- A healthy packed lunch, no nuts and no eggs please.
- Water bottle, clearly labelled with your child's name
- Hat, clearly labelled with your child's name
- Footwear, which your child can easily put on and off themselves, labelled with their name.
- A bag, with spare clothes.

**Cost: All sessions are \$60 per session** and enrolments are for 10 weeks per term. On enrolment, you will receive an invoice for the full 10 weeks of Term, which is payable two weeks, prior to the commencement of the Term.

All enrolments are rolled over each term, securing your child's spot for the next Term, unless you advise that you need to withdraw your child from future terms.
